Summary

An analytic result- oriental professional with more than a year of extensive experience in providing exceptional services in sales and production and ready to utilise my skills to achieve business objectives. I approach problem-solving confidently and boldly, always willing to take risks in my work and share knowledge with others. My disciplined nature ensures project completcn, and I thrive on helping, encouraging, and pushing my team to fulfill assigned tasks. With excellent listening and learning skills, I simplify complex concepts and communicate effectively. Additionally, I am highly self-motivated, punctual, loyal, and trustworthy, making me a valuable asset when working independently or as part of a team
